Eco Tips 2026 Calendar:

The Christian environmental charity A Rocha UK has produced an *Easy Eco Tips 2026 Calendar*, with ideas for eco-friendly things that we can do in every month of the year. There is a copy of the calendar on All Saints' Eco Church Notice Board at the entrance to the church centre, which you could photograph, or you can download the calendar from their website if you go to arocha.org.uk and select 'Noticeboard'.

Week of prayer for Christian Unity: The week is from January 18th to 25th and services will be held in various churches across the city during the week – including our mid-week service on Wednesday 21 January.

World Leprosy Sunday - 25th January 2026

We read about leprosy in the Bible and assume it is a disease of the past. But leprosy is very much a disease of today, with more than 200,000 newly diagnosed cases every year. That means that every two minutes of every day, someone hears the words 'you have leprosy'. Three short words, but they carry thousands of years' worth of fear, stigma and shame. Leprosy thrives in areas where poor nutrition, overcrowding, shared wash facilities and low standards of living naturally lower people's immune systems. We will mark this Sunday with prayer and by providing an opportunity for us to donate to the charity.
