**World Leprosy Sunday - 25th January 2026**

Please come next Sunday ready to give to the Leprosy Mission. Lepers suffer growing numbness and worsening nerve damage, ulcers and finally even amputations. They also suffer the hurt and shame of being an outcast.

And this is where The Leprosy Mission steps in, and with the support of churches in the UK, works to help the sufferers of leprosy around the world. With our help, their Leprosy Mission Vocational Training Centres can give sufferers a chance to learn a skill and get a qualification.
