Thanks: Peter Downes would like to thank all those who asked about his brother Michael and those who prayed for him over the many months he's been waiting. He's please to say he has had his operation and is making a very good recovery. With your thoughts and God's power he is beginning to enjoy life again. Thank you all.

Big Butterfly Count 2026:

More than half of the UK's butterfly species are in decline, but you can help to conserve them by taking part in this year's Big Butterfly Count. To take part, go to the Big Butterfly Count website and download their butterfly ID charts.

On any day between Friday 17th July and Sunday 9th August, choose a place to spot butterflies and moths: watch for just 15 minutes, and record what species you see. You can then add your count on the website, and view a fascinating interactive map which shows how your data is contributing to conservation science and research.

Alternatively you can download the free butterfly count app, which lets you carry out and submit your count all in one go while you are out and about watching butterflies.
