

Weekly Prayer Guide

Please take this guide home

From Monday 7th September

Lord we praise you and thank you for the wonder and goodness of your creation. Like Adam in Genesis, you have put us on this Earth to treasure it, and take care of it.

Show us how we can best do that day by day in every part of our lives.

Tuesday

Prayers in church at 10.00am.

Almighty and everlasting God, the giver of all good gifts, by your Holy Spirit you have appointed various orders of ministry in your church. Look with mercy on your servants called to be deacons and priests, maintain them in truth and renew them in holiness, that by word and good example they may faithfully serve you to the glory of your name.

Wednesday

Pray for the Faith and Food Bible study at 12 noon. We are looking at the Book of Acts.

Lord we stand amidst the wreckage of a world too often at war, communities too often in dispute, and lives too often in despair. But we hold to the promise that you will wipe away every tear from our eyes, and death will be no more, and mourning and crying and pain will be no more, for the first things – the things of war – will have passed away.

Thursday

Pray for Connect Café and for all the people who attend each week and for the generous cake makers and servers.

Holy Spirit fill us again and move afresh on your church. May we wait humbly before you in repentance and faith, ready to spread the gospel. Help us to harness every means available to bring your goodness, truth and hope to every nation.

We pray for our Rector Sally as she works so hard to serve you, and to serve her congregation. Please give her time to relax and enjoy her ministry to us. Bless her Lord and make her dreams and hopes into reality.

Friday

We give thanks that Jesus comes with us and journeys with us through change for us and our communities.

Let's pray that we may see changes taking place around us. Father God, we pray that you would equip us so that we are ready for the changes that we are being called to.

Saturday

Lord, come to your church and ask us your hard questions. Are we faithfully proclaiming your gospel. Are we demonstrating in our lives together the justice of your kingdom. Have we welcomed the weak and given prominence to the poor. Come to your church and change our ways, our structures and our priorities.

Sunday

Pray for the services in church today.

May our relationship with you Lord Jesus grow. May we be able to place all things in your hands knowing that you are always with us. We want to believe, and you said, "blessed are those who have not seen and yet have believed".

Lord, we pray that you will bring us answers to the questions we have about faith, hope and love, and give us your peace.
